About Us

A single idea, which sprouts from a human mind, contains the potential to create marvels that can influence generations. It can redefine the rules of pharma generic arena, it can transform the world. Back in the year 2016, a team of individuals came with such an idea – The Idea called UNIVENTIS. It was highly powerful and flexible, like a spark that could ignite a thousand more ideas. Looking back at our past years, distinguished journey, that one small idea has triggered us to become one of the quality provider generic pharmaceutical company for the contribution of humanity. Created our foothold in over 20 countries.

We have 4 manufacturing facilities at Baddi (Himachal Pradesh).

Our manufacturing facilities are inspected and audited as per GMP guidelines as laid down by leading regulatory authorities such as WHO-GMP, EU (GMP), NAFDAC (NIGERIA), PPB (KENYA), SRILANKA, CAMBODIA, MYANMAR, AFGHANISTAN, TFDA (TANZANIA), FDA (GHANA), FMHACA (ETHIOPIA) UZBEKISTAN, VIETNAM, ISO & others.

We at UNIVENTIS are committed to address the unmet medical needs through our inherent expertise and perfection. The promise of Univentis is in the promise that our work holds for health and life.

Mission & Vision

Reaching People and Touching Lives Globally as a Leading Provider of Valued Medicines. Continuously innovate in product quality & service to customers. We believe in to offer need based quality products at affordable prices to the customers for the contribution of humanity.

Customer satisfaction, transparency & corporate responsibility are the prime agenda of our vision. We remain market focused and run our operations in a professional environment that will encourage innovation and entrepreneurship within.

Driven by creativity and innovation, we strive for excellence and to make a difference in the world of pharmaceuticals and healthcare.

Quality

Our every action is activated by empathy for patients and the unyielding commitment to fulfil their unmet needs. This helps us create apex quality products to address the needs of humanity.

We at UNIVENTIS are conscious to sustain and simplify our operational excellence through implementation of cutting-edge global quality management systems. For us, meeting the global quality and statutory requirements is never enough; our objective is to constantly exceed the expectations of all as a part of Continuous Improvement Program. Our Quality Management Team is an overseer, which ensures that each of our products stand true to the global standards of quality, purity, efficacy and safety.

It involves identifying key steps, setting clear objectives, using appropriate tools and methods, and monitoring progress to ensure desired outcomes.

The goal is to enhance efficiency, quality, and effectiveness, leading to improved results.

Quality Delivery

Ensures our products and services consistently meet and exceed customer expectations through strict adherence to high standards, materials, processes, and quality control measures, fostering customer trust and satisfaction.

Every Process Is A Cost

Every step in a process incurs expenses, whether tangible or intangible, underscoring the importance of our all product's quality efficiency and cost-consciousness in our all operations.

Thank you Doctor

Univentis Medicare Ltd.
