ABOUT US

A single idea, which sprouts from a human mind, contains the potential to create marvels that can influence generations. It can redefine the rules of pharma generic arena, it can transform the world. Back in the **year 2020**, a team of individuals came with such an idea – The idea called **INNOVENTIS**. It was highly powerful and flexible, like a spark that could ignite a thousand more ideas.

We at **INNOVENTIS** are committed to address the unmet medical needs through our inherent expertise and perfection.

The promise of **INNOVENTIS** is in the promise that our work holds for health and life.

VISION & MISSION

Reaching People and Touching Lives Globally as a Leading Provider of Valued Medicines.

Continuously innovate in **product quality & service to customers**. We believe in to offer need based **quality products** at affordable prices to the customers for the contribution of humanity.

Customer satisfaction, transparency & corporate responsibility are the prime agenda of **our vision**. We remain market focused and run our operations in a professional environment that will encourage innovation and entrepreneurship within.

Driven by creativity and innovation, we strive for excellence and to make a difference in the world of pharmaceuticals and healthcare.

QUALITY

Our every action is activated by empathy for patients and the unyielding commitment to fulfil their unmet needs. This helps us create apex quality products to address the needs of humanity.

We at **INNOVENTIS** are conscious to sustain and simplify our operational excellence through implementation of cutting-edge global quality management systems. For us, meeting the global quality and statutory requirements is never enough; our objective is to constantly exceed the expectations of all as a part of Continuous Improvement Program.

Our Quality Management Team is an overseer, which ensures that each of our products stand true to the global standards of quality, purity, efficacy and safety.
